MANUSCRIPTS SUBMITTED FOR EVALUATION OR PREPARATION

1. González-Acosta, C, **Toro-Gómez MP**. *Hyalinobatrachium aureoguttatum* (Barrera & Ruiz, 1989). Catalog of Amphibians and Reptiles of Colombia. In evaluation

2. Mendoza-Henao AM, **Toro-Gómez MP**, Giraldo JS, Herrera K, Benavides N, Polo-Nieves SL, Cuellar SL, González-Dueñas L, Campos D, Avellaneda JS, Montenegro MJ, Rodríguez S, Barona-Cortés E, Pantoja HE, and Acevedo-Charry O. Acoustics signaling traits from the Colombian biodiversity. In Evaluation

3. Rivera-Robles, D, Rojas-Montoya, M, **Toro-Gómez, MP**, López-Aguirre, Y, Vargas-Salinas, F. 2020. Tadpoles. In: Amphibians of the department of Quindío. Field guide for their identification and study. Editors F. Vargas-Salinas, AM, Ospina-L, LF, Arcila-Pérez, J, Ríos-Soto and S, Duarte-Marín. In preparation

4. Vargas-Salinas F, **Toro Gómez, MP**, Vergara-Herrera N, Tenorio EA & LA Rueda-Solano. *Beyond*

Species Richness: Knowing the biodiversity of anurans in the Andes of Colombia from a Behavioural perspective. In: *Andean Herpetofauna - Explorations of Diversity, Ecology, and Conservation*. In preparation

5. **Toro-Gómez MP**, López-Aguirre Y, Avellaneda-Mazzo JS, Montilla JS, González-Acosta C, Arcila-Pérez LF. Ecological insights into The Pijao's Glassfrog (*Nymphargus pijao*, Anura: Centrolenidae) In the Central Andes of Colombia: a chronicle of natural history observations. In preparation

INTERSHIPS AND WORK EXPERIENCE

2024 Junior Researcher. Project: *The silent crisis of the rivers and forests of the Nariñense Coastal Foothills: the destructive impact of crude oil spills.* Programme "*Orquídeas - Science for Peace*" Minister of Science, Technology and Innovation, Colombia Government - Los Colibríes de Altaquer Ecological Foundation (FELCA) Nariño, Colombia

2023 Bioacoustics herpetologist. Analysis of audio recordings from the SoundClim Brazil monitoring system, for the development of deep learning models for automatic audio classification. Project *Chorus: Machine listening to monitor climate change impacts on neotropical amphibians.* Instituto de Investigación de Recursos Biológicos Alexander von Humboldt Bogotá, Colombia

2022 Bioacoustics herpetologist. Design of annotation protocols, analysis of audio recordings, identification and recording of neotropical amphibian species, for the development of deep learning models for automatic audio classification. *Chorus* Project*: Machine listening to monitor climate change impacts on neotropical amphibians.* Alexander von Humboldt Institute for Research on Biological Resources Bogotá, Colombia

2021 Internship at the Environmental Sound Collection (CSA). Biological Collections Instituto de Investigación de Recursos Biológicos Alexander von Humboldt, Colombia. Director: Angela Maria Mendoza-Henao PhD.

2021 Herpetologist. Biological characterization (amphibians and reptiles) and preparation of species guide for the property El Tesoro de Bremen Municipality of Filandia, Quindío - Colombia.

2020 Teaching assistant at the Amphibian and Reptile Collection (ARUQ). University of Quindío, Armenia - Colombia.

2018 - Administrative assistantof systems and physical spaces. University of Quindío, Armenia - Colombia.

CONFERENCE PRESENTATIONS

2023 Annual Evolution Meeting. SSE, ASN, SSB. Albuquerque, USA. (Presenter)

2022 I Congreso Colombiano de Bioacústica y Ecoacústica (Co-organizer)

2022 III Congreso Colombiano de Herpetología (Presenter)

2021 Virtual Evolution meeting - Society for the Study of Evolution

2021 Animal Behavior Society Virtual Conference

2019 VII Simposio Colombiano de Biología Evolutiva. Universidad Pedagógica y Tecnológica de Colombia, Tunja, Colombia

2019 V Simposio Regional de Biología. Universidad Tecnológica de Pereira, Risaralda, Colombia

2018 V Congreso Colombiano de Zoología y II Congreso Colombiano de Herpetología. Ágora Centro de Convenciones Bogotá, Colombia

2017 VI Simposio Colombiano de Biología Evolutiva. Universidad del Valle, Santiago de Cali, Colombia

2017 I Simposio Nacional de Investigación en Dengue, Universidad del Quindío, Armenia Colombia.

GRANTS AND SCHOLARSHIPS

Source	Amount	Year
ESP Grant AI for Interspecies Communication (co-author)	10.000 USD	2023
Programme "*Orquídeas - Science for Peace*" Minister of Science, Technology and Innovation, Colombia Government grant proposal (co-author)	12.000 USD	2023
Society for the Study of Evolution SSE Travel Award	1.300 USD	2023
Scholarship for Academic Excellence, Quindío Government	1600 USD	2015

AWARDS

Award	Event	Year
Outstanding Student Poster Award ASN	Annual Evolution meeting NM, USA	2023
Best oral presentation Symposium "Evolutionary ecology of Chemical defended Herps"	3er Congreso Colombiano de Herpetología Cali, Colombia	2022

INVITED TALKS

2023 BioacousTalks (Talks series). K. Lisa Yang Center for Conservation Bioacoustics at the Cornell Lab of Ornithology. (Virtual) *Machine Learning for Tropical Acoustic Monitoring: Challenges and Opportunities.* Virtual talk YouTube link

COMPLEMENTARY ACADEMIC TRAINING

2024 Workshop on Animal Movement. Max Planck Institute & Universidad del Rosario. Bogotá DC. Colombia

2023 Evolutionary Genomics Workshop: Analysis of genomic and transcriptomic data. University of the Andes. Bogotá DC. Colombia

2022 Professional in Tourist Guidance. National Learning Service SENA, Armenia, Quindío, Colombia.

2022 Theoretical-practical course Bioacoustic tools for the study of biodiversity. Boyacá - Colombia.

2022 French beginner level A1. National Learning Service SENA, Armenia, Quindío, Colombia.

2022 Recognition and registration of species for Avitourism. Servicio Nacional de Aprendizaje SENA, Armenia, Quindío, Colombia.

2022 Evolutionary Biology Crash Course. *evobiocrashcourse.github.io*. Virtual mode.

2022 Course Morphometric tools for the analysis of acoustic data. UPTC, Tunja, Boyacá, Colombia.

2021 XXVI International Course on Biological Bases of Behavior. UNAM, Morelia, Mexico. Virtual modality.

2021 Workshop: Writing scientific articles and editorial process. UNAM, Morelia, Mexico. Virtual modality.

2021 Training in Introduction to Environmental Mining Legislation, Servicio Nacional de Aprendizaje SENA, Armenia, Quindío, Colombia.

2021 Information management in bird watching tours for tourism, Servicio Nacional de Aprendizaje SENA, Armenia, Quindío, Colombia.

2020 Basic-Intermediate English level 1-4, Servicio Nacional de Aprendizaje SENA, Armenia, Quindío, Colombia.

2014 Technician in Assistance in file organization, Servicio Nacional de Aprendizaje SENA (National Learning Service SENA), Armenia, Quindío, Colombia.
